## NEW HOUR METER

JCB Attachments are pleased to announce the introduction of additional dumpsters to the existing range which will include an hour meter.

The benefit of the hour meter:

- Allows you to track use and wear
- The hour meter is great for rental customers - ensuring hire rates are correct for actual usage
- Helps you plan your next service
- Improves your resale value with the ability to monitor maintenance

| MODEL NAME                               |                        | DUMPSTER    |
|--|------------------------|-------------|
| Maximum engine power                     | kW (hp)                | 4.4 (5.9)   |
| Maximum carry capacity                   | kg (lb)                | 500 (1,102) |
| Machine weight                           | kg (lb)                | 515 (1,135) |
| Maximum operating weight (with load)     | kg (lb)                | 975 (2,150) |
| Maximum machine width                    | mm (ft-in)             | 690 (2-3)   |
